No person is authorised to give any information or to make any representation other than those contained in or consistent with this Programme Memorandum and the Additional Issuer Supplement of the Relevant Issuer. Neither this Programme Memorandum, the Additional Issuer Supplement of the Relevant Issuer nor any other information supplied in connection with the Programme and/or the Notes is intended to provide the basis of any credit or other evaluation, or should be considered as a recommendation or a statement of opinion, or a report of either of those things, by the Relevant Issuer, the Debt Issuer Agent, the Co-Arrangers, the Dealer/s, CTSE or CTSE Registry Services or that any recipient of this Programme Memorandum, the Additional Issuer Supplement of the Relevant Issuer or any other information supplied in connection with the Programme and/or the Notes, should purchase any Notes.

Each person contemplating making an investment in the Notes must make its own investigation and analysis of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Relevant Issuer and the terms of the offering and its own determination of the suitability of any such investment, with particular reference to its own investment objectives and experience, the extent of its exposure to risk (see the section of this Programme Memorandum and, in the case of each Additional Issuer, the Additional Issuer Supplement of the Relevant Issuer headed "*Risk Factors*" as read with any applicable Security Supplement) and any other factors which may be Relevant to it in connection with such investment.

Neither CTSE nor CTSE Registry Services nor the Debt Issuer Agent nor the Co-Arrangers nor the Dealer/s nor any of its/their respective Affiliates and advisers undertake to review the financial condition or affairs of the Relevant Issuer or to advise any investor or potential investor in the Notes of any information coming to the attention of CTSE, CTSE Registry Services, the Debt Issuer Agent, the Co-Arrangers, the Dealer/s or any of its/their respective Affiliates and advisers.

Neither this Programme Memorandum nor the Additional Issuer Supplement of the Relevant Issuer nor any Applicable Pricing Supplement nor any other information supplied in connection with the Programme and/or the Notes constitutes an offer or an invitation by or on behalf of the Relevant Issuer, the Debt Issuer Agent, the Co-Arrangers, the Dealer/s, CTSE, CTSE Registry Services or to any person to subscribe for or to purchase or otherwise deal in any Notes.

The distribution of this Programme Memorandum, the Additional Issuer Supplement of the Relevant Issuer and/or any Applicable Pricing Supplement and the issue, offering or sale of Notes in certain jurisdictions may be restricted by law (see the section of this Programme Memorandum headed "*Subscription and Sale*" under "*Selling Restrictions*"). In particular, there are restrictions on the distribution of this Programme Memorandum, the Additional Issuer Supplement of the Relevant Issuer and/or any Applicable Pricing Supplement and the offer or sale or subscription of Notes in the United States of America, the European Economic Area, the United Kingdom and South Africa. For a description of certain restrictions on offers, sales and subscriptions of Notes and on the distribution of this Programme Memorandum, the Additional Issuer Supplement of the Relevant Issuer and/or any Applicable Pricing Supplement and other offering material relating to the Programme and/or the Notes, see the section of this Programme Memorandum headed "*Subscription and Sale*" under "*Selling Restrictions*".

Neither the Relevant Issuer, the Debt Issuer Agent, the Co-Arrangers, the Dealer/s, CTSE, CTSE Registry Services, nor any of its/their respective Affiliates and advisers represent that this Programme Memorandum, the Additional Issuer Supplement of the Relevant Issuer and/or any Applicable Pricing Supplement may be lawfully distributed, or that any Notes may be lawfully offered, subscribed for or sold, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assumes any responsibility for facilitating any such distribution, offering, subscription or sale.

In particular, no action has been taken by the Relevant Issuer, the Debt Issuer Agent, the Co-Arrangers, the Dealer/s, CTSE, CTSE Registry Services or any of its/their respective Affiliates and advisers which would permit a public offering of any Notes or a distribution of this Programme Memorandum, the Additional Issuer Supplement of the Relevant Issuer and/or any Applicable Pricing Supplement in any jurisdiction where action for that purpose is required.

The Notes may not be offered or sold, directly or indirectly, and neither this Programme Memorandum nor the Additional Issuer Supplement of the Relevant Issuer nor any Applicable Pricing Supplement nor any advertisement or other offering material relating to the Programme and/or the Notes may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with all Applicable Laws and regulations.

Neither this Programme Memorandum nor the Additional Issuer Supplement of the Relevant Issuer nor any Applicable Pricing Supplement are for distribution in, and do not constitute an offer of Notes for sale or subscription in, the United States of America or in any other jurisdiction in which such a distribution or such offer for sale or subscription would be unlawful or would require qualification or registration. It is the responsibility of any person wishing to subscribe for or purchase Notes to satisfy himself as to the full observance of the laws of the relevant jurisdiction.

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended ("Securities Act"). The Notes may not be offered or sold in the United States of America or to, or for the account or benefit of, U.S. persons except in accordance with Regulation S under the US Securities Act.

Persons into whose possession this Programme Memorandum, the Additional Issuer Supplement of the Relevant Issuer and/or any Applicable Pricing Supplement comes are required by the Relevant Issuer, the Debt Issuer Agent, the Co-Arrangers, the Dealer/s, CTSE and CTSE Registry Services to comply with all Applicable Laws and regulations in each country or jurisdiction in which they subscribe for, purchase, offer, sell, transfer or deliver Notes or have in their possession (or distribute) this Programme Memorandum, the Additional Issuer Supplement of the Relevant Issuer and/or any Applicable Pricing Supplement, in all cases at their own expense, and none of the Relevant Issuers, the Debt Issuer Agent, the Co-Arrangers, the Dealer/s, CTSE, CTSE Registry Services nor any of its/their respective Affiliates and advisers shall have responsibility therefor.

Any Notes purchased or subscribed for by any person who wishes to offer such Notes for sale or resale may not be offered in any country or jurisdiction in circumstances which would result in the Issuer being obliged to register this Programme Memorandum or any further prospectus or corresponding document relating to the Notes in such country or jurisdiction.

Price stabilisation will be permitted by CTSE in accordance with the provisions of the Financial Markets Act. Price stabilisation may be affected through an over-allotment. Over-allotment is a pre-cursor to a price stabilisation mechanism aimed at supporting and maintaining the price of a newly listed Tranche of Notes. The main purpose price stabilisation is, in relation to a Tranche of Notes, to support the market price of Notes in the same Series as that Tranche of Notes at a level higher than that which might otherwise prevail for a limited period after the Issue Date, and to establish an orderly market for that Tranche of Notes in the secondary market.

There is no obligation on the Relevant Issuer to stabilise the price of any Tranche of Notes, but if the Relevant Issuer intends to effect price stabilisation, the Debt Issuer Agent must contact CTSE for a ruling in this regard.

- 1.2.6 Headings and sub-headings in the Terms and Conditions are inserted for convenience only.

6. INTEREST

6.1. Fixed Rate Notes

- 6.1.1. A Tranche of Fixed Rate Notes will bear interest on its Outstanding Principal Amount at the Fixed Interest Rate specified in (or calculated in the manner set out in) the Applicable Pricing Supplement, for the period from (and including) the Interest Commencement Date to (but excluding) the Redemption Date.
- 6.1.2. The interest due on a Tranche of Fixed Rate Notes in respect of an Interest Period will be payable in arrears on the Interest Payment Date in respect of that Interest Period. The first payment of interest will be made on the Interest Payment Date next following the Interest Commencement Date. If any Interest Payment Date falls upon a day which is not a Business Day, the provisions of Condition 7.4 shall determine the date of payment of interest due on that Interest Payment Date.
- 6.1.3. The interest payable in respect of a Tranche of Fixed Rate Notes in respect of any six-monthly Interest Period shall, unless otherwise specified in the Applicable Pricing Supplement, be calculated by multiplying the Fixed Interest Rate applicable to that Tranche of Fixed Rate Notes by its Outstanding Principal Amount and then dividing the product by two; provided that:
- 6.1.3.1. if an Initial Broken Amount is specified in the Applicable Pricing Supplement, the first Interest Amount shall equal that Initial Broken Amount; and
- 6.1.3.2. if a Final Broken Amount is specified in the Applicable Pricing Supplement, the final Interest Amount shall equal that Final Broken Amount.
- 6.1.4. Save as provided in the preceding paragraphs of this Condition 6.1, if interest on a Tranche of Fixed Rate Notes is required to be calculated for a period of other than one year (in the case of annual interest payments) or other than six months (in the case of semi-annual interest payments), as the case may be, such interest shall (unless otherwise specified in the Applicable Pricing Supplement) be calculated on the basis of the actual number of days in such period divided by 365 (three hundred and sixty five).

6.2. Floating Rate Notes

6.2.1. *General*

- 6.2.1.1. A Tranche of Floating Rate Notes will bear interest on its Outstanding Principal Amount at the Floating Interest Rate specified in (or calculated in the manner set out in) the Applicable Pricing Supplement, for the period from (and including) the Interest Commencement Date to (but excluding) the Redemption Date.
- 6.2.1.2. The interest due on a Tranche of Floating Rate Notes in respect of an Interest Period will be payable in arrears on the Interest Payment Date in respect of that Interest Period. The first payment of interest will be made on the Interest Payment Date next following the Interest Commencement Date. If any Interest Payment Date falls upon a day which is not a Business Day, the provisions of Condition 7.4 shall determine the date of payment of interest due on that Interest Payment Date.
- 6.2.1.3. The Floating Interest Rate applicable from time to time to a Tranche of Floating Rate Notes will be determined (and specified in the Applicable Pricing Supplement) (i) on the basis of ISDA Determination or (ii) on the basis of Screen Rate Determination or (iii) on such other basis as may be determined by the Relevant Issuer and specified in the Applicable Pricing Supplement.

6.2.2. *ISDA Determination*

- 6.2.2.1. Where ISDA Determination is specified in the Applicable Pricing Supplement as the manner in which the Floating Interest Rate is to be determined, the Floating Interest Rate applicable to a Tranche of Floating Rate Notes for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any). For the purposes of this Condition 6.2.2.1, "**ISDA Rate**" for an Interest Period means a rate equal to the Floating Rate that would be determined by such agent as is specified in the Applicable Pricing Supplement under an interest rate swap transaction if that agent were acting as Strate Issuer Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:
- 6.2.2.1.1. the Floating Rate Option is as specified in the Applicable Pricing Supplement;

- 6.2.2.1.2. the Designated Maturity is the period specified in the Applicable Pricing Supplement; and
- 6.2.2.1.3. the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on ZARJIBAR-SAFEX, the first day of that Interest Period or (ii) in any other case, as specified in the Applicable Pricing Supplement.
- 6.2.2.2. For the purposes of Condition 6.2.2.1, "**Floating Rate**", "**Floating Rate Option**", "**Designated Maturity**" and "**Reset Date**" have the meanings given to those terms in the ISDA Definitions.
- 6.2.3. *Screen Rate Determination*
- 6.2.3.1. Subject to Condition 6.2.4, where Screen Rate Determination is specified in the Applicable Pricing Supplement as the manner in which the Floating Interest Rate is to be determined, the Floating Interest Rate applicable to a Tranche of Floating Rate Notes for each Interest Period will subject to the provisions of this Condition 6.2.3, be:
- 6.2.3.1.1. if the Relevant Screen Page is available, either:
- a) the offered quotation (if only one quotation appears on the screen page); or
 - b) the arithmetic mean (rounded, if necessary, to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,
- (expressed as a percentage per annum) for the Reference Rate which appears on the Relevant Screen Page as at the Relevant Time on the relevant Rate Determination Date plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any), all as determined by the Strate Issuer Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Strate Issuer Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations; or
- 6.2.3.1.2. if the Relevant Screen Page is not available or if, in the case of Condition 6.2.3.1.1(a), no such offered quotation appears or, in the case of Condition 6.2.3.1.1(b), fewer than three such offered quotations appear, in each case as at the Relevant Time, the Strate Issuer Agent shall request the principal Johannesburg office of each of the Reference Banks to provide the Strate Issuer Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at the Relevant Time on the relevant Rate Determination Date. If two or more of the Reference Banks provide the Strate Issuer Agent with such offered quotations, the Floating Interest Rate for the relevant Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any), all as determined by the Strate Issuer Agent; or
- 6.2.3.1.3. if the Floating Interest Rate cannot be determined by applying the provisions of Condition 6.2.3.1.1 and Condition 6.2.3.1.2, the Floating Interest Rate for the relevant Interest Period shall be the rate per annum which the Strate Issuer Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Strate Issuer Agent by the Reference Banks or any two or more of them, at which such Reference Banks offered, at the Relevant Time on the relevant Rate Determination Date, deposits in an amount approximately equal to the aggregate Principal Amount of the relevant Tranche of Floating Rate Notes, for a period equal to that which would have been used for the Reference Rate to prime banks in the Johannesburg inter-bank market plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any). If fewer than two of the Reference Banks provide the Strate Issuer Agent with such offered rates, the Floating Interest Rate for the relevant Interest Period will be determined by the Strate Issuer Agent as the arithmetic mean (rounded as provided above) of the rates for deposits in an amount approximately equal to the aggregate Principal Amount of the relevant Tranche of Floating Rate Notes, for a period equal to that which would have been used for the Reference Rate, quoted at approximately 11h00 (Johannesburg time) on the relevant Interest Determination Date by the Reference Banks plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any). If the Floating Interest Rate cannot be determined in accordance with the foregoing provisions of this Condition 6.2.3.1.3, the Floating Interest Rate shall be determined as at the last preceding Rate Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the

relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

6.2.3.2. If the Reference Rate from time to time in respect of a Tranche of Floating Rate Notes is specified in the Applicable Pricing Supplement as being other than ZAR-JIBAR-SAFEX, the Floating Interest Rate applicable to that Tranche of Floating Rate Notes will be determined as provided in the Applicable Pricing Supplement.

6.2.4. *ZAR-JIBAR-SAFEX*

If the Reference Rate is ZAR-JIBAR-SAFEX, the provisions of Condition 6.2.3 shall be subject to (and construed in accordance with) such updates in the methodology and/or calculations used to determine ZAR-JIBAR-SAFEX as may be prescribed by Applicable Law and/or put in place by the financial markets, including any transitional arrangements between the determination of ZAR-JIBAR-SAFEX as at the Programme Date (as set out in Condition 6.2.3) and any such updated determination of ZAR-JIBAR-SAFEX that occurs after the Programme Date.

6.2.5. *Maximum or Minimum Floating Interest Rate*

If any Maximum Floating Interest Rate or Minimum Floating Interest Rate is specified in the Applicable Pricing Supplement, then the Floating Interest Rate applicable to the relevant Tranche of Floating Rate Notes shall in no event be greater than the maximum or be less than the minimum so specified.

6.2.6. *Calculation of Floating Interest Rate and Interest Amount*

6.2.6.1. The Strate Issuer Agent will, on or as soon as practicable after each Rate Determination Date or each Reset Date, as applicable, but in any event not later than 3 (three) Business Days after the Rate Determination Date or the Reset Date, as applicable, determine the Floating Interest Rate applicable to a Tranche of Floating Rate Notes for the Interest Period commencing on that Rate Determination Date or that Reset Date, as applicable, and (ii) calculate the Interest Amount payable in respect of that Tranche of Floating Rate Notes for that Interest Period.

6.2.6.2. Unless otherwise specified in the Applicable Pricing Supplement, the Interest Amount in respect of a Tranche of Floating Rate Notes will be determined by multiplying the Floating Interest Rate applicable to that Tranche of Floating Rate Notes by its Outstanding Principal Amount, then multiplying the product by the applicable Day Count Fraction and rounding the resultant product to the nearest cent, half a cent being rounded upwards.

6.3. **Other Notes**

The Applicable Pricing Supplement relating to any other Tranche of Notes not specifically provided for in the Terms and Conditions will set out, among other things, the manner in which the interest (if any) and/or other amounts payable in respect of that Tranche are to be calculated, the Interest Commencement Date (and/or other payment commencement date), the Interest Payment Date/s (and/or other payment date/s) and the Interest Period/s (and/or other payment period/s).

6.4. **Default interest**

6.4.1. Subject, in the case of Zero Coupon Notes, to Condition 6.4.2, If payment of principal (or any portion thereof) and/or interest (or any portion thereof) due and payable in respect of a Tranche of Notes (or the relevant Notes in that Tranche) is not paid on the due date for payment of such principal and/or interest, the overdue principal and/or interest will bear interest, at the Default Rate, from and including the due date for payment of such principal and/or interest to but excluding the Actual Payment Date.

6.4.2. If payment of principal (or the relevant portion thereof) due and payable in respect of a Tranche of Zero Coupon Notes (or the relevant Zero Coupon Notes in that Tranche) is improperly withheld or refused then, unless otherwise specified in the Applicable Pricing Supplement, the amount of principal (or the relevant portion thereof) shall thereafter be an amount equal to the sum of (i) the Reference Price (or the relevant portion thereof) and (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price (or the relevant portion thereof) on the basis of the relevant Day Count Fraction from (and including) the Issue Date to (but excluding) the Actual Payment Date.

6.5. **Debt Instrument System and Strate Issuer Agent**

6.5.1. The CSD Procedures provide for the establishment and implementation of the CSD's "Debt Instrument Solution ('DIS')". These amendments also provide, among other things, for the appointment of an 'Issuer Agent' who will be responsible, among other things, for the confirmation of interest/coupon and partial redemption amounts to be disbursed under debt instruments and the confirmation, on a

daily basis of the outstanding principal amount of debt instruments in issue. An 'Issuer Agent' may be electronically connected to the Debt Instrument System by a system (the Central Messaging Front-End System ('CMFE')) that caters for an 'Issuer Agent' interface to the Debt Instrument System. The Central Messaging Front-End System will enable an 'Issuer Agent' to interact directly with the CSD.

- 6.5.2. As at the Programme Date, CTSE Registry Services is the 'Issuer Agent' contemplated in the CSD Procedures. In addition to the duties and obligations of the Strate Issuer Agent contemplated in this Condition 6 and the Applicable Agency Agreement (if any), the Strate Issuer Agent will perform all such additional duties and comply with all such additional obligations as are required to be performed and/or complied with under the applicable provisions of the CSD Procedures.

6.6. General

6.6.1. *Calculation of other amounts*

If the Applicable Pricing Supplement specifies that any other amount, rate, index and/or formula in relation to a Tranche of Notes is to be calculated by the Strate Issuer Agent, the Strate Issuer Agent will, as soon as practicable after the time or times at which any such amount, rate, index and/or formula is to be determined, calculate the relevant amount, rate, index and/or formula in the manner specified in the Applicable Pricing Supplement.

6.6.2. *Fall-back Interest Rate*

Unless otherwise specified in the relevant Applicable Pricing Supplement, if the Strate Issuer Agent is unable to determine a rate (or, as the case may be, the arithmetic mean of rates) in accordance with the above provisions of this Condition 6, the Interest Rate applicable to the relevant Tranche of Notes during the relevant Interest Period will be the Interest Rate applicable to the relevant Tranche of Notes during the immediately preceding Interest Period (with adjustment for any change in the Margin, Maximum Interest Rate or Minimum Interest Rate).

6.6.3. *Notification of Floating Interest Rate and each Interest Amount*

- 6.6.3.1. The Strate Issuer Agent will cause each Floating Interest Rate and each Interest Amount determined by it (and any other amount/s required to be determined by it) to be notified to the Settling Bank as soon as practicable after such determination but in any event not later than 3 (three) Business Days after the Rate Determination Date or the Reset Date, as applicable (in the case of the determination of the Floating Interest Rate) and not later than 3 (three) Business Days before the Interest Payment Date (in the case of the determination of the Interest Amount). The Strate Issuer Agent will cause each Floating Interest Rate applicable to a Tranche of Registered Notes which is listed on CTSE to be published on the CTSE News Service not later than 3 (three) Business Days before the relevant Interest Payment Date. The Strate Issuer Agent will cause each Interest Amount determined by it to be announced on the CTSE News Service at least 3 (three) Business Days before the relevant Interest Payment Date.

- 6.6.3.2. The Strate Issuer Agent will be entitled to recalculate any Interest Amount (on the basis of the foregoing provisions) without notice in the event of an extension or shortening of the relevant Interest Period.

6.6.4. *Certificates to be final*

All communications, notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 6 by the Strate Issuer Agent will (in the absence of negligence, wilful default, bad faith or manifest error) be binding on the Relevant Issuer and the Noteholders and (subject as aforesaid) no liability to the Relevant Issuer or the Noteholders will attach to the Strate Issuer Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to the provisions of this Condition 6.

6.6.5. *Failure to make determinations*

If the Strate Issuer Agent does not for any reason determine and/or calculate and/or publish any amount, rate or date as provided in the Terms and Conditions, it will forthwith notify the Relevant Issuer, the Settling Bank, CTSE and the CSD thereof. Any failure by the Strate Issuer Agent to determine and/or calculate and/or publish any of the foregoing will not affect the Relevant Issuer's obligations to pay any amount due in respect of the Notes as and when due.

7. PAYMENTS

7.1. General

- 7.1.1. All payments of all amounts (whether in respect of principal, interest or otherwise) due and payable in respect of any Notes shall be made by the Settling Bank, on behalf of the Relevant Issuer, on the terms and conditions of the Applicable Agency Agreement and this Condition 7.
- 7.1.2. Payments will be subject in all cases to any Taxation or other laws, directives and regulations applicable to such payment in the place of payment.
- 7.1.3. Any reference in the Terms and Conditions to principal and/or interest in respect of the Notes shall be deemed to include any additional amounts which may be payable under Condition 10.

7.2. Method of payment - Registered Notes

7.2.1. General

- 7.2.1.1. Only Noteholders of Registered Notes named in the Register at 17h00 (South African time) on the relevant Last Day to Register will be entitled to payments of interest and/or principal in respect of Registered Notes.
- 7.2.1.2. Payments of all amounts due and payable in respect of Uncertificated Notes shall be made in accordance with the CSD Procedures and Condition 7.2.2.
- 7.2.1.3. Payments of all amounts due and payable in respect of Registered Notes which are represented by Certificates shall be made, in accordance with Condition 7.2.3, to the person named as the registered Noteholder of such Registered Notes in the Register at 17h00 (South African time) on the relevant Last Day to Register.

7.2.2. Method of payment – Uncertificated Notes

- 7.2.2.1. The Relevant Issuer has opened the Designated Bank Account with the Settling Bank. The Designated Bank Account will be used solely for purposes of depositing (and funding) the aggregate amount (whether in respect of principal, interest or otherwise) which is due and payable, on the relevant Payment Date, in respect of a Tranche of Uncertificated Notes. The Relevant Issuer will, in accordance with the CSD Procedures, furnish the CSD with full details of the Settling Bank and the Designated Bank Account.
- 7.2.2.2. The Settling Bank will, in accordance with the CSD Procedures and by no later than the time and day stipulated in the CSD Procedures, make an irrevocable deposit, into the Designated Bank Account, of the full aggregate amount which is due and payable, on the relevant Payment Date, in respect of a Tranche of Uncertificated Notes. Such amount will be deposited into the Designated Bank Account, in immediately available and freely transferable funds, in ZAR.
- 7.2.2.3. The funds in the Designated Bank Account will be transferred to the relevant CSD Participants, by means of the South African Multiple Option Settlement ('SAMOS') system operated by the South African Reserve Bank. The CSD Participants will then make payment of the relevant amounts to the registered Noteholders of Uncertificated Notes, in accordance with the CSD Procedures.
- 7.2.2.4. Once the funds deposited into the Designated Bank Account have been cleared and credited to the Designated Bank Account, and transferred from the Designated Bank Account to the relevant CSD Participants, neither the Settling Bank nor the Relevant Issuer shall be responsible for the loss in transmission of any such funds. Accordingly, the irrevocable deposit of any amount into (and the clearance and crediting of such amount to) the Designated Bank Account, and the transfer of such amount from the Designated Bank Account to the relevant CSD Participants, all in accordance with the CSD Procedures and this Condition 7.2.2, will be satisfaction *pro tanto*, to the extent of such amount, of the Relevant Issuer's obligations to the relevant registered Noteholders under the relevant Uncertificated Notes, the Applicable Terms and Conditions and the Applicable Agency Agreement.
- 7.2.2.5. Each of the persons reflected in the records of the CSD or the relevant CSD Participant (as the case may be) as the holder of Beneficial Interests shall look solely to the relevant CSD Participant for such person's share of the funds deposited into the Designated Bank Account.
- 7.2.2.6. Payments of amounts due and payable in respect of Uncertificated Notes will be recorded by the relevant CSD Participant, distinguishing between interest and principal, and such record of payments by the relevant CSD Participant will be *prima facie* proof of such payments.

7.2.3. *Method of payment – Registered Notes which are represented by Certificates*

- 7.2.3.1. GENERAL DESCRIPTION OF THE nREACHCAPITIS HOLDCO INVESTMENT PROCESS FOR BOTH nREACH CAPITIS SPV AND INSIGHT CAPITAL SPV

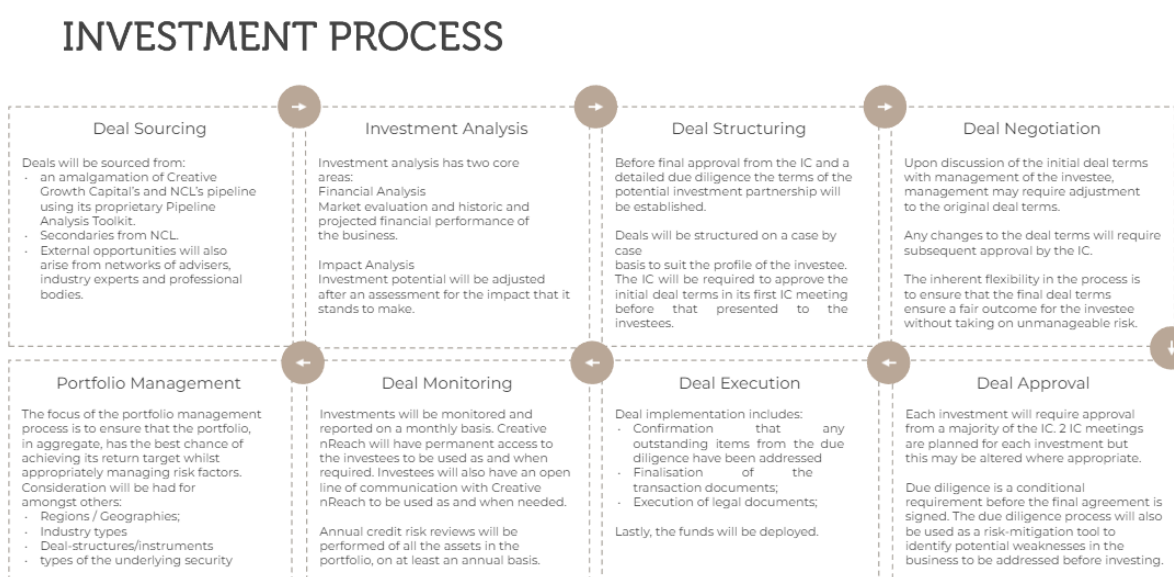

nReachCapitis Holdco is an asset manager which was registered in 2017. It has ZAR2 billion investment assets under management, which assets are managed from 4 fund platforms, inclusive of a Shariah compliant fund. These include co-management of Gaia Fibonacci Fibre REIT 1 Limited by an nReachCapitis Holdco director. nReachCapitis Holdco is also an investor in Fibonacci SPV Proprietary Limited, which is the fibre construction company for Gaia Fibonacci Fibre REIT 1 Limited. The preference shares of Gaia Fibonacci Fibre REIT 1 Limited are the first shares of a fibre REIT entity to be listed on CTSE. nReachCapitis Holdco manages investment capital invested in 26 investee companies. nReachCapitis Holdco has just under 700 retail and corporate investors inclusive of the Laysan asset

manager investors following the merger of the Laysan entity with nReachCapitis Holdco. nReachCapitis Holdco also invests in companies which are trading as going concerns in order to facilitate their growth. nReachCapitis Holdco seeks to offer its investors a balanced growth or balanced fixed income investment outcome. As at the Programme Date, since the incorporation of nReachCapitis Holdco, it has never underpaid or missed a fixed income yield payable to investors, which fixed income yield is currently paid every quarter.

nReachCapitis Holdco has been appointed as Investment Manager for nReach Capitis SPV (and for Insight Capital SPV - see the section of this Programme Memorandum headed "*General Description of Insight Capital SPV One Proprietary Limited*" under "*Business of Insight Capital SPV and Insight Capital SPV's Investment Manager*" above).

In addition to its role as nReach Capitis SPV's Investment Manager, nReachCapitis Holdco is responsible for performing certain management functions which have been outsourced to it by nReach Capitis SPV. These functions include compliance, governance and risk management functions. A monitoring process has also been established that includes accounting and reporting. These management functions and monitoring processes mirror those which nReachCapitis Holdco provides for its own investee companies.

The full investment process of nReachCapitis Holdco is illustrated below (this investment process applies to both nReach Capitis SPV and Insight Capital SPV):

These compliance, risk management and governance functions in nReachCapitis Holdco works as follows:

- The Management Committee of nReachCapitis Holdco ("**Manco**") sources suitable qualifying investments from their wide banker, funder, own investor and business broker networks.
- These target investee companies have the following characteristics:
 - They are trading as a going concern.
 - They are usually not listed on an exchange.
 - They are therefore revenue and Ebitda positive and at least cash-flow neutral.
 - Their founding entrepreneurs are still majority shareholders in the business.
 - They have a unique competitive advantage or offering in the business.
 - They have a clear business strategy and plan and need for growth capital, in the form of:
 - Procurement of moveable assets;
 - Competitor acquisition targets;
 - Working capital needs for operational expenses.
- These target investee companies must pass a stringent due diligence of:
 - Legal documents such as: the Memorandum of Incorporation and shareholder agreement, client and supplier agreements, as well as regulatory licensing and staff agreements;
 - Financial information such as: historic audited financial statements, management accounts,

product costings and profit calculations, debtor aging, forecasts and capital deployment schedules;

- Market risks and mitigants;
- Competitor comparisons and analysis;
- Operational model efficacy and longevity;
- Manco is responsible for preparing an investment thesis for the nReachCapitis Holdco Investment Committee ("**Investment Committee**"). Manco also manages the relevant underlying assets and investments post Investment Committee approval. The Investment Committee consists of the same number of independent members as internal members. The independent Chairman of the Investment Committee as at the Programme Date is Mr Geert Doyer who has experience in the private equity and private debt investment sectors with Ethos and Coronation Private Equity. As at the Programme Date, the panel members of the Investment Committee are as follows:

- nReachCapitis Holdco only provides capital for growth. In other words, nReachCapitis Holdco does not purchase shares from shareholders. Capital for growth is provided by way of share capital subscriptions, mezzanine finance and/or or term loans. This investment approach seeks to mitigate investment risks to, and ensures adequate and timely liquidity, for investors. nReachCapitis Holdco, has pioneered the "Contract for Yield" investment principles which provides for "absolute outcome based" fixed income and growth for nReachCapitis Holdco investors. Apart from nReachCapitis Holdco investing its own capital it is also restricted in the fees it can take if investment hurdle rates are not achieved for the investor during the investment period and at maturity. This also seeks to aid in mitigating investment risk for the investor.
- Once the required agreements are signed with the target investee company certain business and operational risks are constantly tracked and monitored. An example of such a matrix is illustrated below:

Risk management and mitigation:

RISK			
TIMELY EXIT/LIQUIDITY	high	high	low
SKILL, CAPABILITY OR TRACK RECORD	low	low	low
MANAGEMENT CONTINUITY	low	medium	low
MARKET COMPETITORS	medium	low	medium
BUSINESS MODEL STRENGTH	medium	medium	medium
LEGISLATION	low	medium	low
CURRENCY	medium	medium	medium
DEBTOR	low	low	medium
RAW MATERIAL	medium	medium	low
UNION	low	low	medium
HYPER INFLATION	low	low	low
LOCKDOWN CONSUMER SPENDING	low	low	medium

- nReachCapitis Holdco usually takes a board seat on the investee company or has access to information similar to that available to a director. Monthly management accounts are received from each investee company as well as annual financial statements. All of the above provides nReachCapitis Holdco with many tools for attaining and analysing the investee company's critical information.
- Lastly, the diagram below illustrates the segregation of duties regarding accounting, auditing, investor capital receipts and payment of dividends or profit share.

ACCOUNT SEGREGATION:

Accounting	 External accounting	 Tax & Investor admin (external)	 External audit
 Management Process	Management Accounts (Monthly)	Manco meetings (monthly) Board meetings (quarterly)	Annual Financial Audit
Bank Accounts	 TRUST ACCOUNT (Independent)	 Dividend Distribution	 Operational Account (External accounting)

RISK FACTORS

The Relevant Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive. The information set out below is not intended as advice and does not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes.

Prospective investors should, prior to investing in the Notes, consult their own financial, tax and legal advisers as to the risks and investment considerations arising from an investment in the Notes, the appropriate tools to analyse such an investment, and the suitability of such an investment in the context of the particular circumstances of each investor.

The information set out in the following summary is intended as a general guide to certain risk factors which may be relevant to a prospective subscriber for or purchaser of any Notes or any person contemplating making an investment in the Notes.

RISKS RELATING TO THE RELEVANT ISSUER

Documents incorporated by reference

Issuer-specific risks may be included and/or updated in the following information and/or the Additional Issuer Supplement applicable to the Relevant Issuer which is incorporated by reference into this Programme Memorandum (see the section of the Programme Memorandum headed "*Documents Incorporated by Reference*"):

- updated information (if any) on specific risks which are applicable to Insight Capital SPV, nReach Capitis SPV and/or each Additional Issuer, as described in the section of the Programme Memorandum headed "*Documents Incorporated by Reference*" under "*General*" above or in each Additional Issuer Supplement;
- information pertaining to Insight Capital SPV, nReach Capitis SPV and/or each Additional Issuer which is relevant to the Programme and/or this Programme Memorandum, as described in the section of the Programme Memorandum headed "*Documents Incorporated by Reference*" under "*General*" above or in each Additional Issuer Supplement.

The information described above is (or will be) available on the basis set out in the section of this Programme Memorandum headed "*Documents Incorporated by Reference*".

General

The financial prospects of any entity are sensitive to the underlying characteristics of its business and the nature and extent of the commercial risks to which the entity is exposed. The Relevant Issuer is exposed to commercial and market risks in the ordinary course of its businesses. There are a number of risks faced by the Relevant Issuer, including those that encompass a broad range of economic and commercial risks, many of which are not within the Relevant Issuer's control, as illustrated by the sample risk matrix set out in the section of the Programme Memorandum headed "*General Description of nReach Capitis SPV One Proprietary Limited*" under "*nReach Capitis Laysan Proprietary Limited*". The performance of the Relevant Issuer's businesses can be influenced by external market and regulatory conditions. If the Relevant Issuer's business is affected by adverse circumstances in the same period, overall earnings would suffer significantly. These risks create the potential for the Relevant Issuer to suffer loss. These risks are, however, monitored by nReachCapitis Holdco, which has been appointed as the Investment Manager and/or Advisor, as stated in the Programme Memorandum in relation to Insight Capital SPV and nReach Capitis SPV or each Additional Issuer Supplement of the Relevant Issuer. nReachCapitis Holdco seeks to mitigate these risks through the same investment structures, instruments and pricing mechanisms as are implemented by nReachCapitis Holdco with its own investment portfolios. See the section of the Programme Memorandum headed "*General Description of nReach Capitis SPV One Proprietary Limited*" under "*nReach Capitis Laysan Proprietary Limited*".

Insight Capital SPV and nReach Capitis SPV were registered on 26 May 2022, with no assets or liabilities (save for their share capital) as at the Programme Date and only commenced business operations after the Programme Date.

In addition to the below, each Additional Issuer is subject to the risk factors stated in the Additional Issuer Supplement applicable to the Relevant Issuer (if any).

Credit risk

Credit risk is the risk of loss due to non-performance of a counterparty in respect of any financial or performance obligation due to deterioration in the financial status of the counterparty. The Relevant Issuer assumes

counterparty risk in connection with its lending, derivatives and other businesses where it relies on the ability of a third party to satisfy its financial obligations to the Relevant Issuer on a timely basis. The resultant credit exposure will depend on a number of factors, including the financial condition of the counterparty, the value of property the Relevant Issuer holds as collateral and the market value of the counterparty instruments and obligations the Relevant Issuer holds. The particular credit risk that the Noteholders are exposed to in regard to this risk are the debtors of the underlying investee companies. Many of the investee companies do, however, take-out insurance to mitigate these risks and have stringent controls in place to manage debtors ageing. Lastly, through diversification of investments made by the Relevant Issuer (from the proceeds of the issue of a Tranche of Notes) to underlying investee assets, the Relevant Issuer seeks to 'dilute' and mitigate these risks.

Liquidity risk

Liquidity risk is the inability to discharge funding or trading obligations which fall due at market related prices. The Relevant Issuer is exposed to the risk that it is unable to meet its financial commitments when they fall due, which could arise due to mismatches in cashflows. It is for this reason that the investment instruments driving liquidity (made by the Relevant Issuer from the proceeds of the issue of a Tranche of Notes) will be mezzanine finance, term loans and preference shares predominantly. A put and call option drives liquidity where such investments are pure minority equity investment instruments.

Market risk

Market risk is the exposure to adverse changes in the value of future cashflows and/or financial instruments and/or financial assets as a result of changes in legislation, regulation, competitor pricing and offerings, market prices or volatility, including risks arising from interest rates, derivatives (which are subject to settlement and other risks) and the correlation of market prices and rates within and across markets. Any decline in global asset markets, including property and other asset markets, or in market liquidity, could adversely impact the Relevant Issuer's results of operations and financial condition in general. However, the investment instruments in which the proceeds of the issue of a Tranche of Notes are invested by the Relevant Issuer, and the value of such instruments, are not correlated with an incline or decline of global listed asset markets, and therefore these risks cannot impact the Relevant Issuer's results of operations or financial condition. The cashflow generation ability of such investment instruments in comparison to the Relevant Issuer's competitors is the primary factor that can impact the Relevant Issuer's performance and results.

Interest rate risk

Interest rate risk is the sensitivity of the balance sheet and income statement to unexpected, adverse movements of interest rates. Interest rate risk arises from a variety of sources including mismatches between the re-pricing periods of assets and liabilities. As a result of these mismatches, movements in interest rates can affect earnings or the value of the Relevant Issuer in general. To mitigate this risk, the Relevant Issuer's preference is for the investment instruments in which the proceeds of the issue of a Tranche of Notes is invested to be fixed interest rate investments and/or investments which provide for moratoriums on capital repayments by the relevant underlying investee companies.

Operational risk

Operational risk is the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events.

The daily operations of the Relevant Issuer may result in financial loss, adverse regulatory consequences or reputational damage due to a variety of operational risks including business decisions, technology risk (including business systems failure), fraud, compliance with legal and regulatory obligations, counterparty performance under outsourcing arrangements, business continuity planning, legal and litigation risk, data integrity and processing risk, managing conflicts of interests and key person risk.

Failure of systems and breaches of security systems

The Relevant Issuer relies on the proper functioning of its systems which may fail as a result of hardware or software failure or power or telecommunications failure. The occurrence of such a failure may not be adequately covered by its business resumption and disaster recovery planning. Any significant degradation or failure of the Relevant Issuer's information, processing or trading systems could have an adverse effect on its business, results of operations and financial condition.

Key personnel

The Relevant Issuer's performance is dependent on the talents and efforts of key personnel. The Relevant Issuer's continued ability to compete effectively and further develop its businesses also depends on its ability to attract new employees. In relation to the development and training of new staff, the Relevant Issuer is reliant on the

continued development of the educational sector within South Africa, including access to facilities and educational programmes by its future employees. nReachCapitis Holdco seeks to mitigate these risks through requiring continuity in management and key man insurance within the underlying investee companies. See the section of the Programme Memorandum headed "*General Description of nReach Capitis SPV One Proprietary Limited*" under "*nReach Capitis Laysan Proprietary Limited*".

Legal, regulatory, compliance and tax risk

Compliance risk is the risk (among other things) that regulatory requirements which are applicable to the Relevant Issuer are not complied with.

Failure to comply with legal and regulatory requirements which are applicable to the Relevant Issuer, including tax laws and regulations, or government policies, may have an adverse effect on the Relevant Issuer and its reputation among customers.

The Relevant Issuer may also be adversely affected by future changes in government policy, legal, regulatory and compliance requirements. Future tax developments or changes to tax laws in South Africa may also have a material adverse effect on the Relevant Issuer and on its business.

A number of regulatory changes have been implemented or proposed in various jurisdictions as a result of the global economic crisis, which may affect certain business activities of the Relevant Issuer.

It is not possible to predict what further future regulatory or related changes may result from the global economic crisis or the effect any such changes would have on the Relevant Issuer and its business.

The Relevant Issuer is also exposed to the risk of inappropriate or inadequate documentation of contractual relationships.

GENERAL RISKS RELATING TO THE MARKET AND SOUTH AFRICA

Exchange control

Since 1995, certain exchange controls in South Africa have been relaxed. The extent to which the Government of South Africa may further relax (or re-impose) such exchange controls cannot be predicted with certainty. Large capital outflows from South Africa in consequence of changes in exchange controls could adversely affect the Relevant Issuer's business and it could have an adverse effect on the financial condition of the Relevant Issuer.

Market conditions, including funding

Global market conditions are subject to periods of volatility and change which can negatively impact market liquidity, increase credit spreads and reduce funding availability. Instability in equity and debt markets may affect the Relevant Issuer's ability to access the funding necessary to grow its businesses.

COVID-19 pandemic

The COVID-19 pandemic may adversely impact the Relevant Issuer's business and financial results, and the ultimate impact will depend on future developments, which are highly uncertain and cannot be predicted, including the scope and duration of the COVID-19 pandemic and actions taken by governmental authorities in response to the pandemic.

Terrorist acts

Terrorist acts, and other acts of war or hostility and responses to those acts, may create economic and political uncertainties, which could have a negative impact on South Africa, and international economic conditions generally, and more specifically on the business and results of operations of the Relevant Issuer in ways that cannot be predicted.

Risks relating to an Exchange

The risks of an Exchange (including CTSE) include not only the risks inherent in and stemming from the rules, regulations and procedures of the Exchange but also risks such as liquidity, statutory, governance/regulatory, legal, compliance and country risk.

Risks relating to emerging markets

South Africa is generally considered by international investors to be an emerging market. Investment in emerging markets involves risk factors and special considerations which may not be typically associated with investing in more developed markets. Political or economic change and instability may be more likely to occur and have a greater effect on the economies and markets of emerging countries. Adverse government policies, taxation, restrictions on foreign investment and on currency convertibility and repatriation, currency fluctuations and other developments in the laws and regulations of emerging countries in which investments may be made, including

expropriation, nationalisation or other confiscation, could result in the loss to the Relevant Issuer. By comparison with more developed securities markets, most emerging countries' securities markets are comparatively small, less liquid and more volatile.

Any of these factors, as well as volatility in the markets for securities similar to the Notes, may adversely affect the value or liquidity of the Notes.

South Africa, as well as the financial sector, are currently exposed to the risk of further credit rating downgrades should political, social, fiscal and monetary or other factors point towards diminished ability to service foreign debt over the longer-term.

Within this context, investors should note that developing markets, such as South Africa, are subject to rapid change and that the information set out in this Programme Memorandum may become outdated relatively quickly.

RISKS RELATING TO THE NOTES GENERALLY

Investment suitability

Investors should have (either alone or with the help of a financial adviser) sufficient knowledge and experience in financial and business matters to meaningfully evaluate the merits and risks of investing in a particular issue of Notes and the information contained in or incorporated by reference into this Programme Memorandum, or any Applicable Pricing Supplement, as well as access to, and knowledge of, appropriate analytical tools to evaluate such merits and risks in the context of their particular circumstances.

Each potential investor in any Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference into this Programme Memorandum;
- have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact such an investment will have on its overall investment portfolio;
- have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes;
- understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes may be complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured and appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

Exchange rate risks and exchange controls

All payments (whether in respect of principal, interest or otherwise) in respect of a Tranche of Notes will be made in ZAR. If a Tranche of Notes is denominated in a currency other than ZAR, certain risks may arise relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit ("**Investor's Currency**") other than ZAR. These include the risk that exchange rates may significantly change (including changes due to devaluation of ZAR or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to ZAR will decrease (a) the Investor's Currency-equivalent yield on the Notes, (b) the Investor's Currency equivalent value of the principal payable on the Notes and (c) the Investor's Currency equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, Noteholders may receive less interest or principal in respect of the Notes than expected, or no interest or principal.

Legal investment considerations may restrict certain investments

The investment activities of certain investors in the Notes are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor in the Notes should consult its legal advisers to determine whether and to what extent (a) the Notes are legal investments for it, (b) the Notes can be used as collateral for various types of borrowing and (c) other restrictions apply to its purchase or pledge of the Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of the Notes under any applicable risk-based capital or similar rules.

Meetings of Noteholders

The Terms and Conditions contain provisions for calling meetings of Noteholders or Groups of Noteholders, as applicable, to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders or Groups of Noteholders, as applicable, including Noteholders who do not attend and vote at the relevant meeting and Noteholders who vote in a manner contrary to the majority.

Change of law

The Programme Memorandum, the Additional Issuer Supplement, the Notes, the Applicable Terms and Conditions and, in relation to a Tranche of Secured Notes, the Security Agreements relating to that Tranche of Secured Notes, will be governed by, and construed in accordance with, the laws of South Africa. No assurance can be given as to the impact of any possible judicial decision or change to South African law or administrative practice in South Africa after the Programme Date.

Rating

The Programme is not rated.

The Relevant Issuer and/or a Tranche of Notes may, on or before the Issue Date, be rated by a Rating Agency on a national scale or international scale basis. Unrated Tranches of Notes may also be issued.

The Applicable Pricing Supplement will reflect the Rating/s, if any, assigned to the Relevant Issuer and/or a Tranche of Notes, as well as the Rating Agency/ies which assigned such Rating/s.

A Rating is not a recommendation to subscribe for, buy, sell or hold any Notes, inasmuch as, among other things, a Rating does not comment on the market price or suitability of the Notes for a particular investor. A Rating of a Tranche of Notes only addresses the likelihood that the aggregate Outstanding Principal Amount of Notes in that Tranche will be fully repaid by the Maturity Date and that the interest (if any) payable in respect of such Notes will be paid on a timely basis. There can be no assurance that a Rating of a Tranche of Notes will remain for any given period of time or that the Rating will not be lowered or withdrawn entirely by the Rating Agency if, in its judgment, circumstances in the future warrant such action.

Any adverse change in the Rating could adversely affect the trading price of all or any of the Notes.

Limited liquidity of the Notes

There may be a limited secondary market for the Notes. There can be no assurance that any secondary market for any of the Notes will continue until the Maturity Date. Generally, Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors will have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes. Consequently, a subscriber or purchaser must be prepared to hold its Notes until the Maturity Date.

If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Relevant Issuer.

Noteholders that trade in interest-bearing Notes during the period that the Register is closed prior to each Interest Payment Date, will need to reconcile any amounts payable on the following Interest Payment Date pursuant to a partial redemption of the Notes. As a result, secondary market liquidity of the Notes may reduce during this period.

Uncertificated Notes will be held in the CSD

Each Tranche of Uncertificated Notes will be issued in uncertificated form in terms of Chapter IV of the Financial Markets Act and will be held in the CSD.

Subject to the CSD Procedures and unless the context clearly otherwise indicates, references to "Uncertificated Notes" include Beneficial Interests in such Notes, and *vice versa*, and references to "Noteholders of Uncertificated Notes" include the holders of Beneficial Interests in such Notes, and *vice versa*.

The CSD Procedures will determine the procedures for transfer, payment and communication between holders of Beneficial Interests and the Relevant Issuer.

The CSD Participants will maintain records of Beneficial Interests which are held by their clients.

Subject to the CSD Procedures, the holders of Beneficial Interests will be able to transfer such Beneficial Interests only through the CSD. Subject to the CSD Procedures, the holders of Beneficial Interests may exercise their rights in respect of such Beneficial Interests through their CSD Participants.

The Relevant Issuer has opened the Designated Bank Account with the Settling Bank. The Designated Bank Account will be used solely for purposes of depositing (and funding) the aggregate amount which is due and payable, on the relevant Payment Date, in respect of a Tranche of Uncertificated Notes.

The Relevant Issuer will, in accordance with the CSD Procedures, make an irrevocable deposit, into the Designated Bank Account, of the full aggregate amount which is due and payable, on the relevant Payment Date, in respect of a Tranche of Uncertificated Notes.

The funds in the Designated Bank Account will be transferred to the relevant CSD Participants, by means of the South African Multiple Option Settlement ('SAMOS') system operated by the South African Reserve Bank. The CSD Participants will then make payment of the relevant amounts to the Noteholders of Uncertificated Notes, in accordance with the CSD Procedures, as contemplated in Condition 7.2.2.

Once the funds deposited into the Designated Bank Account have been cleared and credited to the Designated Bank Account, and transferred from the Designated Bank Account to the relevant CSD Participants, neither the Settling Bank nor the Relevant Issuer will be responsible for the loss in transmission of any such funds.

A Noteholder of Uncertificated Notes must therefore rely on the CSD Procedures to receive payments under such Uncertificated Notes.

Noteholders of Uncertificated Notes must vote in accordance with the CSD Procedures. Subject to the CSD Procedures, the Noteholders of Uncertificated Notes may exercise their respective rights to vote through their respective CSD Participants. Subject to the CSD Procedures, the respective CSD Participants will vote in accordance with the respective instructions conveyed to them by the respective Noteholders of Uncertificated Notes.

Subject to the Financial Markets Act, the holder of Beneficial Interests will be entitled to exchange such Beneficial Interest for Registered Notes which are represented by a Certificate in accordance with Condition 10.1.

Registered Notes which are represented by Certificates where the denominations involve integral multiples

If the aggregate Principal Amount of Registered Notes held by a Noteholder is equivalent to a fraction of the Specified Denomination or a fraction of any multiple thereof, the Certificate representing such Registered Notes will be issued in accordance with, and be governed by, Applicable Law.

A Noteholder who holds Registered Notes in an aggregate Outstanding Principal Amount which is less than the minimum Specified Denomination may not receive a Certificate in respect of such Registered Notes and may need to purchase an additional Principal Amount of Registered Notes such that its total holding of such Registered Notes amounts to the minimum Specified Denomination.

Noteholders of Registered Notes which are represented by a Certificate should be aware that, where such Registered Notes have a denomination which is a fraction of the Specified Denomination or a fraction of any multiple thereof, such Registered Notes may be illiquid and difficult to trade.

Restrictions on transferability of Notes where the Relevant Issuer is a private company

For as long as the Relevant Issuer is a private company, a Noteholder of Registered Notes may not, as contemplated in clause 6.4.3 of the Memorandum of Incorporation of the Relevant Issuer, transfer such Registered Notes without the prior written consent of the Relevant Issuer Board (see Condition 23).

However, the Relevant Issuer Board has consented in writing (in respect of Insight Capital SPV and nReach Capitis SPV, in a resolution of the Relevant Issuer Board passed on 14 July 2022) or will consent in writing (in respect of each Additional Issuer, in a resolution of the Relevant Issuer Board as required in terms of each Additional Issuer Supplement) to the transfer of all Registered Notes issued (by the Relevant Issuer), under the Programme, pursuant to this Programme Memorandum, for as long as the Relevant Issuer is a private company.

Recourse against CTSE or any other Exchange

A Tranche of Registered Notes may be listed on CTSE and/or on such other Exchange/s as may be determined by the Relevant Issuer and the Dealer/s (if any), subject to all Applicable Laws.

Unlisted Registered Notes may also be issued under the Programme. Unlisted Registered Notes are not regulated

by CTSE or any other Exchange. The Noteholders of Registered Notes that are not listed on CTSE will have no recourse against CTSE.

RISKS RELATING TO THE STRUCTURE OF A PARTICULAR ISSUE OF NOTES

Notes subject to optional redemption by the Relevant Issuer

If "*Redemption at the election of the Issuer*" is specified in the Applicable Pricing Supplement as being applicable to a Tranche of Notes, the Relevant Issuer may, in terms of and subject to Condition 8.3, at its election, redeem that Tranche of Notes prior to the Maturity Date, as more fully described in Condition 8.3. These optional early redemption features of the Notes may limit their market value. During any period when the Relevant Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This may also be true prior to any such redemption period.

The Relevant Issuer may be expected to redeem Notes when its cost of borrowing is lower than the Interest Rate applicable to the Notes. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that applicable to the relevant Notes. Potential investors in the Notes should consider reinvestment risk in light of other investments available at that time.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the market value of the Fixed Rate Notes.

Notes issued at a substantial discount or premium

The market values of Notes issued at a substantial discount or premium to their Principal Amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Subordinated Notes may be subordinated to most of the Relevant Issuer's liabilities

The payment obligations of the Relevant Issuer under Subordinated Notes will rank behind Senior Notes. See Conditions 5.2 and 5.4.

SECURED NOTES

RISKS RELATING TO OTHER NOTES

The risks (if any) of investing in particular types of Notes which are not set out in, or covered by, this section of the Programme Memorandum headed "*Risk Factors*" will be set out in an annexure to the Applicable Pricing Supplement relating to the relevant Tranche of Notes, the Additional Issuer Supplement applicable to the Relevant Issuer and/or in a supplement to this Programme Memorandum circulated prior to the issue of the first Tranche of such Notes.

SETTLEMENT, CLEARING AND TRANSFERS OF UNCERTIFICATED NOTES

Each Tranche of Registered Notes will be issued in uncertificated form in terms of Chapter IV of the Financial Markets Act and will be held in the CSD (see the section of the Programme Memorandum headed "*Form of the Notes*").

The CSD is the operator of an electronic clearing system which matches, clears and facilitates the settlement of all transactions carried out in respect of Uncertificated Notes.

Each Tranche of Uncertificated Notes will be issued, cleared and transferred in accordance with the CSD Procedures through the electronic settlement system of the CSD, and the settlement of trades in Uncertificated Notes will take place in accordance with the electronic settlement procedures of the CSD.

Tranches of Uncertificated Notes will be settled through CSD Participants who will comply with the electronic settlement procedures prescribed by the CSD.

The Relevant Issuer will adhere to the recognised and standardised electronic clearing and settlement procedures of the CSD.

Euroclear and Clearstream, among others, may settle offshore transfers of Notes which are held in the CSD through their nominated CSD Participant.

CSD Participants are responsible for the settlement of scrip and payment transfers through the CSD and the South African Reserve Bank.

PAYMENTS

Payments of all amounts due and payable in respect of Uncertificated Notes will be made in accordance with the CSD Procedures and Condition 7.2.2.

The Relevant Issuer will, in accordance with the CSD Procedures, make an irrevocable deposit, into the Designated Bank Account, of the full aggregate amount which is due and payable, on the relevant Payment Date, in respect of a Tranche of Uncertificated Notes.

The funds in the Designated Bank Account will be transferred to the relevant CSD Participants, by means of the South African Multiple Option Settlement ('SAMOS') system operated by the South African Reserve Bank. The CSD Participants will then make payment of the relevant amounts to the Noteholders of Uncertificated Notes, in accordance with the CSD Procedures, as contemplated in Condition 7.2.2.

Once the funds deposited into the Designated Bank Account have been cleared and credited to the Designated Bank Account, and transferred from the Designated Bank Account to the relevant CSD Participants, neither the Settling Bank nor the Relevant Issuer will be responsible for the loss in transmission of any such funds.

Each of the persons reflected in the records of the relevant CSD Participant as the Noteholders of Uncertificated Notes shall look solely to the relevant CSD Participant for such person's share of the funds deposited into the Designated Bank Account.

TRANSFER AND EXCHANGE OF BENEFICIAL INTERESTS

The CSD Participants will maintain records of Beneficial Interests held by their clients. Beneficial Interests may be transferred only in accordance with the CSD Procedures through the CSD.

Transfers of Beneficial Interests will not be recorded in the Register.

Subject to the Financial Markets Act, a holder of a Beneficial Interest in Uncertificated Note/s shall be entitled to

exchange such Beneficial Interest for Registered Notes which are represented by a Certificate in accordance with Condition 10.1.

Vunani is the ongoing Debt Issuer Agent of the Programme, and is the Debt Issuer Agent for purposes of procuring the approval and registration of the Programme Memorandum by CTSE and the listing of Tranche/s of Registered Notes on CTSE, subject to the applicable provisions of Chapter 4 of the CTSE Debt Listings Requirements.

Dealer, placing and subscription arrangements

Unless otherwise specified in the Applicable Pricing Supplement, each Tranche of Notes will be privately placed by (or on behalf of) the Relevant Issuer.

Where the Relevant Issuer appoints one or more Dealers to place one or more Tranches of Registered Notes, the terms of the placing of and/or subscription for the relevant Tranche/s of Registered Notes will be set out in a separate mandate to be entered into by the Relevant Issuer and the relevant Dealer/s and/or in a separate placing agreement to be entered into by the Relevant Issuer and the relevant Dealer/s.

Where a Tranche of Registered Note is subscribed for directly by the relevant subscriber/s for such Notes, the terms of such subscription will be set out in a separate section of the Applicable Pricing Supplement and/or in a separate subscription agreement to be entered into by the Relevant Issuer and such subscriber/s.

On the Issue Date, delivery of the Notes in a Tranche of Registered Notes to the subscribers of such Registered Notes will be effected by the Relevant Issuer's CSD Participant, against payment of the Issue Price, in accordance with the Applicable Procedures.

SELLING RESTRICTIONS

The selling restrictions set out below apply to the Relevant Issuer (where the Relevant Issuer places any Notes) and to the relevant Dealer/s (where the Relevant Issuer appoints Dealer/s to place any Notes) (the Issuer and each such Dealer being, for these purposes and the sections below, referred to as a "**Dealer**").

South Africa

Each Dealer represents and agrees (or will be required to represent and agree) that it will not solicit any offers for subscription for or sale of any Notes and will not itself sell any Notes, in South Africa, in contravention of the Companies Act, the Banks Act, the Exchange Control Regulations and/or any other Applicable Laws and regulations of South Africa in force from time to time.

In particular, the Programme Memorandum does not, nor is it intended to, constitute a "*prospectus*" (as contemplated in the Companies Act) and each Dealer represents and agrees (or will be required to represent and agree) that it will not make an "*offer to the public*" (as such expression is defined in the Companies Act) of any Notes (whether for subscription, purchase or sale).

Notes will not be offered for subscription or sale to any single addressee for an amount of less than ZAR1,000,000 (or such other amount as is prescribed from time to time in terms of section 96(2)(a) of the Companies Act).

United States of America

Regulation S Category 2

The Notes have not been and will not be registered under the U.S. Securities Act of 1933 ("**U.S. Securities Act**"). The Notes may not be offered or sold in the United States of America or to, or for the account or benefit of, U.S. persons except in accordance with Regulation S under the U.S. Securities Act or in a transaction exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by

Regulation S under the U.S. Securities Act.

Each Dealer represents and agrees (or will be required to represent and agree) that it has not offered, sold, resold or delivered any Notes and will not offer, sell, resell or deliver any Notes:

- a) as part of its distribution at any time; and
- b) otherwise until 40 (forty) days after completion of the distribution of all of the Notes in the relevant Tranche/s of Notes, as determined and certified by the Dealer or, in the case of an issue of the relevant Tranche/s of Notes on a syndicated basis, the relevant Lead Manager/s, of all Notes of the Series of which the relevant Tranche/s of Notes is/are a part,

within the United States of America or to, or for the account or benefit of, U.S. persons only in accordance with Regulation S and it will send to each distributor to which it sells any Notes a confirmation or other notice setting forth the restrictions on offers and sales of such Notes within the United States of America or to, or for the account or benefit of, U.S. persons.

In addition, an offer or sale of the Notes within the United States of America by any Dealer or other distributor (whether or not participating in the offering of such Notes during the distribution compliance period described in the preceding paragraph) may violate the registration requirements of the U.S. Securities Act.

Each Dealer (and in the case of the issue of the relevant Tranche/s of Notes on a syndicated basis, the relevant Lead Manager/s) shall determine and certify to the Relevant Issuer (where the Dealer is not the Relevant Issuer) when it has completed the distribution of the Notes in the relevant Tranche/s of Notes.

Each Dealer further represents and agrees (or will be required to further represent and agree) that neither it, its affiliates nor any person acting on its or their behalf has engaged or will engage in any "*directed selling efforts*" (as that term is defined in Regulation S under the U.S. Securities Act) with respect to any Notes, and it and they have complied and will comply with the offering restrictions requirements of Regulation S.

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**"), each Dealer represents and agrees (or will be required to represent and agree) that, with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State ("**Relevant Implementation Date**") it has not made and will not make an offer of any Notes to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of Notes to the public in that Relevant Member State:

- a) if the Applicable Pricing Supplement relating to a Tranche of Notes specifies that an offer of such Notes may be made other than pursuant to Article 3.2 of the Prospectus Directive in that Relevant Member State (a "**Non-exempt Offer**"), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the Applicable Pricing Supplement contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or Applicable Pricing Supplement, as applicable and the Relevant Issuer has consented in writing to its use for the purpose of that Non-exempt Offer;
- b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- c) at any time to fewer than 100 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the Dealer or Dealers nominated by the Relevant Issuer for any such offer; or
- d) at any time in any other circumstances falling within Article 3.2 of the Prospectus Directive,

provided that no such offer of Notes referred to in paragraphs (b) to (d) above shall require the Relevant Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "**offer of Notes to the public**" in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Relevant Member State by any measure implementing the Prospectus Directive in that Relevant Member State, the expression "**Prospectus Directive**" means Directive 2003/71/EC (as amended, including by Directive 2010/73/EU) and including any relevant implementing measure in the Relevant

Member State.

United Kingdom

Each Dealer represents and agrees (or will be required to represent and agree) that:

- a) in relation to any of Notes which have a maturity of less than one year, (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (ii) it has not offered or sold and will not offer or sell any Notes other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of Notes would otherwise constitute a contravention of Section 19 of the United Kingdom Financial Services and Markets Act, 2000 ("**FSMA**") by the Relevant Issuer;
- b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA would not, if the Relevant Issuer was not an authorised person, apply to the Relevant Issuer;
- c) it has complied with and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

Changes to the above selling restrictions

The selling restrictions set out above may in relation to any Tranche of Notes, be changed by the Relevant Issuer and (where applicable) the relevant Dealer/s, including following a change in, or clarification of, a relevant law, regulation, directive, request or guideline having the force of law or compliance with which is in accordance with the practice of responsible financial institutions in the country or jurisdiction concerned or any change in or introduction of any of them or in their interpretation or administration. Any such change will be set out in the Applicable Pricing Supplement relating to the relevant Tranche of Notes.

Other selling restrictions

Each Dealer represents and agrees (or will be required to represent and agree) that:

- a) it will (to the best of its knowledge and belief) comply with all applicable laws and regulations in force in each jurisdiction in which it purchases, subscribes or procures subscriptions for, offers or sells any Notes or has in its possession or distributes the Programme Memorandum, the Additional Issuer Supplement related to the Relevant Issuer and/or the Applicable Pricing Supplement and will obtain any consent, approval or permission required by it for the purchase, subscription, offer or sale by it of any Notes under the laws and regulations in force in each jurisdiction to which it is subject or in which it makes such purchases, subscriptions, offers or sales; and
- b) it will comply with such other or additional restrictions as the Relevant Issuer and the Dealer agree and as are set out in the Applicable Pricing Supplement relating to the relevant Tranche of Notes.

Neither the Relevant Issuer nor the Debt Issuer Agent nor the Co-Arrangers nor the Dealer/s represent that this Programme Memorandum, the Additional Issuer Supplement related to the Relevant Issuer and/or any Applicable Pricing Supplement may be lawfully distributed, or that any Notes may be lawfully offered, subscribed for or sold, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assumes any responsibility for facilitating any such distribution, offering, subscription or sale.

Persons into whose possession this Programme Memorandum, the Additional Issuer Supplement related to the Relevant Issuer and/or any Applicable Pricing Supplement comes are required to comply with all Applicable Laws and regulations in each country or jurisdiction in which they subscribe for, purchase, offer, sell, transfer or deliver Notes or have in their possession or distribute this Programme Memorandum, the Additional Issuer Supplement related to the Relevant Issuer and/or any Applicable Pricing Supplement and to obtain any consent, approval or permission required by them for the subscription, purchase, offer, sale, transfer or delivery by them of any Notes under the law and regulations in force in any country or jurisdiction to which they are subject or in which they make such subscriptions, purchases, offers, sales, transfers or deliveries, in all cases at their own expense, and none of the Relevant Issuer, the Debt Issuer Agent, the Co-Arrangers or the Dealer/s shall have responsibility therefor.

In accordance with the above, any Notes purchased or subscribed for by any person which it wishes to offer for sale or resale may not be offered in any country or jurisdiction in circumstances which would result in the Relevant Issuer being obliged to register this Programme Memorandum and or the Additional Issuer Supplement related to the Relevant Issuer or any further prospectus or corresponding document relating to the Notes in such country or jurisdiction.

TAXATION

The summary in this section headed "Taxation" below is intended to deal with the more important fiscal provisions that could be relevant to the treatment of the Notes from a general fiscal perspective as at the Programme Date. The contents of this section headed "Taxation" are not intended to and do not constitute tax advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or holder of or purchaser of any Notes. Prospective Noteholders of Notes should consult their own professional advisers in this regard. This summary is limited to the South African taxation consequences that could be applicable to Noteholders.

SECURITIES TRANSFER TAX

The issue, transfer and redemption of Notes will not attract securities transfer tax under the Securities Transfer Tax Act, 2007 as the Notes do not constitute "securities" as envisaged by such legislation. Any future transfer duties and/or taxes that may be introduced in respect of (or be applicable to) the transfer of Notes will be for the account of the transferee Noteholder, even though such transfer duties and/or taxes could, in the first instance, have been payable by the regulated intermediary concerned.

INCOME TAX

The taxation of "interest" is regulated by section 24J of the Income Tax Act, 1962 ("**Income Tax Act**") on the basis that interest must be accounted for in the hands of a Noteholder on a yield-to-maturity basis. For tax purposes "interest" as defined in section 24J of the Income Tax Act ("**Interest**") has a wide meaning and includes, among other things, not just interest and similar finance charges, but also any discount or premium payable or receivable in terms of or in respect of a financial arrangement.

The references to Interest mean "interest" as understood in South African tax law. These references do not take account of any different definitions of "interest" or "principal" which may prevail under any other law or which may be created by the Terms and Conditions of the Notes or any related documentation.

However, to the extent that a Noteholder is a "covered person" (for example a bank) as defined in section 24JB of the Income Tax Act and it recognises the Notes as financial assets in profit or loss in the statement of comprehensive income in respect of financial assets and financial liabilities of that covered person that are measured at fair value in profit or loss in terms of accounting principles, the Noteholder should consider the application of section 24JB of the Income Tax Act instead.

Original issue discount or premium

Any discount that arises pursuant to the original issue of the Notes will be treated as Interest for tax purposes, and the amount of the discount will be deemed to accrue to the Noteholder on a yield to maturity basis as if such Noteholder were to hold the Notes until the Maturity Date.

Any original issue premium over the principal amount of the Notes will also be treated as Interest for tax purposes and will be taken into account in calculating the return to the Noteholder on a yield to maturity basis as if such Noteholder were to hold the Notes until the Maturity Date.

Appropriate adjustments are made to the extent that the Notes are disposed of by the Noteholder prior to the Maturity Date.

Interest on the Notes

A "resident" of South Africa (as defined in section 1 of the Income Tax Act) ("**Resident**") will, subject to any available exemptions, be taxed on its worldwide income. Accordingly, a Resident Noteholder will be liable for income tax, subject to available exemptions, on any income or interest received or accrued in respect of the Notes held by that Resident Noteholder in the relevant year of assessment of that Resident Noteholder.

A person who or which is not a Resident ("**Non-Resident**") is taxed in South Africa under the Income Tax Act only on income from a source within or deemed to be sourced within South Africa.

Interest which, during the relevant year of assessment of a Non-Resident Noteholder, is received or accrued in respect of Notes which are held by that Non-Resident Noteholder is regarded as being from a South African source as the Relevant Issuer is a South African tax resident.

However, Interest which, during the relevant year of assessment of a Non-Resident Noteholder, is received or accrued in respect of Notes which are held by that Non-Resident Noteholder will (subject to "*Withholding Tax*" below) be exempt from income tax under section 10(1)(h) of the Income Tax Act, unless that Non-Resident

Noteholder:

- a) is a natural person who was physically present in South Africa for a period exceeding 183 calendar days in aggregate during the 12-month period preceding the date on which the Interest is received by or accrues to that Non-Resident Noteholder; or
- b) the debt from which the Interest arises is effectively connected to a permanent establishment of that Non-Resident Noteholder in South Africa.

If a Non-Resident Noteholder does not qualify for the exemption under section 10(1)(h) of the Income Tax Act, an exemption from or reduction of tax liability under the Income Tax Act may nevertheless be available under an applicable convention concluded between the Government and the relevant other contracting state for the avoidance of double taxation ("**DTA**") of which the Noteholder is a tax resident. In addition, some entities may be exempt from income tax, which would include an exemption from Interest.

Prospective Non-Resident Noteholders must consult their own professional advisers as to whether the interest income earned on Notes to be held by them will be exempt under section 10(1)(h) of the Income Tax Act or under an applicable DTA.

As regard the Withholding Tax on Interest paid to Non-Resident Noteholders, see "*Withholding Tax*" below.

Re-characterisation of Interest

Certain anti-avoidance provisions have been inserted into the Income Tax Act which have the result that interest is re-characterised as dividends. This will for instance be the case if the interest is not determined with reference to a specified interest rate or the time value of money. A so-called profit participating loan would also be affected. In such event, that portion of the interest that is affected is deemed to be a dividend *in specie* declared and paid by the Relevant Issuer to the holder on the last day of the year of assessment of the Relevant Issuer and is not deductible in terms of the Income Tax Act. The interest is also re-characterised in the hands of the Noteholder and is deemed to have accrued to the Noteholder in the form of a dividend *in specie* that is declared and paid to the Noteholder on the last of the year of assessment of the Relevant Issuer *in addition to the interest being* subject to dividend withholding tax unless the exemptions relating to dividends tax are applicable.

Withholding Tax

A withholding tax on Interest paid to Non-Residents (at the rate of 15% of the amount of the Interest) ("**Withholding Tax**") applies in terms of Part IVB of the Income Tax Act.

The Relevant Issuer is entitled to request a Noteholder to confirm its tax residency and whether any withholding or reduction of the Withholding Tax rate is in fact required in terms of any applicable DTA.

Subject to any Withholding Tax relief provided for in the Income Tax Act (see the paragraph below) or an applicable DTA, the Withholding Tax will be imposed in respect of all payments of Interest from a South African source to Non-Residents unless a Non-Resident is liable to the payment of South African income tax on such Interest.

However, payments of Interest under Notes held by Non-Resident Noteholders will be exempt from Withholding Tax if (among other exemptions) such Notes are listed on a "*recognised exchange*". CTSE (as an "*exchange*" as defined in the Financial Markets Act) is a "*recognised exchange*".

Accordingly, payments of Interest under Notes held by Non-Resident Noteholders will be exempt from Withholding Tax.

Payments of Interest under Notes held by a Non-Resident will also be exempt from the Withholding Tax if:

- a) that Non-Resident is a natural person who was physically present in South Africa for a period exceeding 183 days in aggregate during the twelve-month period preceding the date on which the Interest is paid; or
- b) the debt claim in respect of which that Interest is paid is effectively connected with a permanent establishment of that Non-Resident in South Africa, if that Non-Resident is registered as a taxpayer in South Africa.

Disposal of the Notes

If a Noteholder sells or otherwise disposes of a Note, Taxes (whether income tax or capital gains tax) may be levied on such sale or disposal.

Taxes (whether income tax or capital gains tax) may be levied on the disposal or deemed disposal of any Notes held by a Resident Noteholder. In general, income tax will be leviable to the extent that a Resident Noteholder is a trader or has acquired the Notes for speculative purposes or has acquired the Notes as part of a business in carrying out a profit-making scheme. In general, capital gains tax will be leviable to the extent that the Notes have

been acquired by a Resident Noteholder for investment purposes and the disposal is not part of a business in carrying out a profit-making scheme.

Any discount or premium on acquisition which has already been treated as Interest for income tax purposes under section 24J of the Income Tax Act (see "*Original issue discount or premium*" above) will not again be taken into account when determining any gain or loss.

Taxes (whether income tax or capital gains tax) will not be levied on the disposal or deemed disposal of Notes held by a Non-Resident Noteholder unless the profits made on the disposal or deemed disposal of such Notes are from a South African source or are attributable to a permanent establishment of that Non-Resident Noteholder in South Africa during the relevant year of assessment of that Non-Resident Noteholder. An applicable DTA may provide such Non-Resident Noteholder with relief from such Taxes.

VALUE-ADDED TAX

In terms of the Value-Added Tax Act, 1991 ("**Value-Added Tax Act**"), no value-added tax ("**VAT**") is payable on the issue or transfer of the Notes. The issue, allotment or transfer of ownership of the Notes constitutes a "financial service", the supply of which is exempt from VAT in terms of section 12(a) of the Value-Added Tax Act. However, commissions or other charges that are payable on the facilitation of this "financial service" are, in principle, subject to VAT at the current standard rate of 15%, depending on the circumstances and the identity of the relevant service provider.

US TAXATION – FOREIGN ACCOUNT TAX COMPLIANCE ACT

Sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986 introduced a new reporting regime, being the Foreign Account Tax Compliance Act ("**FACTA**"). FACTA imposes withholding tax of 30% on any US sourced income or US sourced gross proceeds paid to a foreign financial institution ("**FFI**") or to a "*direct reporting non-financial foreign entity*" ("**NFFE**") unless the FFI or direct reporting NFFE meets certain requirements. To meet these requirements, the FFI or direct reporting NFFE must enter into an agreement with the US Internal Revenue Service ("**IRS**") either via their respective country's government, being an Intergovernmental Agreement or independently via the IRS directly.

The South African Government and the U.S. Government signed an IGA ("**South African IGA**") in respect of FATCA on 9 June 2014. Under the South African IGA, South African FFIs will generally be able to be treated as "deemed compliant" with FATCA perspective.

FATCA is a particularly complex piece of legislation. The above description is based in part on U.S. Treasury regulations official guidance and the South African IGA, all of which are subject to change or may be implemented in materially different form.

Potential investors in the Notes should consult their own tax advisers to determine how these rules may apply to payments they will receive under the Notes and the potential impact of the implementation of the South African IGA and implementing legislation on them.

EXCHANGE CONTROL

The comments below are intended as a general guide to the position under the Exchange Control Regulations as at the Programme Date (subject to "AMENDMENTS TO THE EXCHANGE CONTROL REGULATIONS" below). The contents of this section headed "Exchange Control" do not constitute exchange control advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional advisers in this regard.

EXCHANGE CONTROL REGULATIONS - GENERAL

The Exchange Control Regulations, 1961 promulgated under the Currency and Exchanges Act, 1933 ("**Exchange Control Regulations**") provide for exchange controls which, among other things, restrict the export of capital from the Republics of South Africa and Namibia, and the Kingdoms of eSwatini and Lesotho (collectively the "**Common Monetary Area**").

Transactions between residents of the countries comprising the Common Monetary Area and foreigners are subject to the Exchange Control Regulations, which are administered by the Financial Surveillance Department of the South African Reserve Bank ("**Exchange Control Authorities**").

The application of the Exchange Control Regulations is set out in the "Currency and Exchanges Manual for Authorised Dealers" published by the Exchange Control Authorities ("**Manual**"), as read with the circulars published by the Exchange Control Authorities.

Applications for approval under the Exchange Control Regulations are effected through "*authorised dealers*" which are approved by the South African Reserve Bank ("**SARB**") as "*authorised dealers*" in foreign currency ("**Authorised Dealers**"). Authorised Dealers assist the Exchange Control Authorities with the monitoring and enforcement of the Exchange Control Regulations. Authorised Dealers include the major South African banks and certain local branches of foreign banks.

An approval under the Exchange Control Regulations may take the form of a "specific" approval granted pursuant to a specific individually motivated application to the Exchange Control Authorities for exchange control approval. However, in terms of the Exchange Control Regulations, the SARB has also delegated to Authorised Dealers the power to approve (a "general pre-approval") certain transactions without reference to the SARB. The transactions that may be approved by Authorised Dealers without reference to the SARB are contained in the Manual, which is updated from time to time through the release of circulars published by the SARB. A "general pre-approval" applies generically to certain classes of transactions or all transactions of a particular kind.

The onus for obtaining all exchange control approvals lies with the relevant South African resident.

Up to 28 February 2021 (see under "AMENDMENTS TO THE EXCHANGE CONTROL REGULATIONS" below) the following definitions applied for the purposes of the Exchange Control Regulations, (a) a "resident" is any person, being a natural person or a legal entity, who has taken up permanent residence, is domiciled or registered in South Africa; (b) a "non-resident" is a person, being a natural person or a legal entity, whose normal place of residence, domicile or registration is outside the Common Monetary Area; and (c) an "emigrant" is a South African resident who has left South Africa to take up permanent residence or has been granted permanent residence in any country outside of the Common Monetary Area.

Noteholders who are uncertain as to whether they are residents or non-residents for purposes of the Exchange Control Regulations, as read with the Manual, are advised to approach their Authorised Dealer to request confirmation.

AMENDMENTS TO THE EXCHANGE CONTROL REGULATIONS

It was announced in the South African 2020 Budget that the Exchange Control Regulations would be replaced with a new capital flow management framework and regulations, which would be implemented within a period of 12 months from the announcement. It was subsequently announced in the South African 2021 Budget on 24 February 2021, that in 2021, National Treasury and the SARB will continue to develop the legislative framework for the new capital flow management system announced in the South African 2020 Budget. According to Annexure F of the South African 2021 Budget, the capital flow management framework "...is expected to be substantively completed" during 2021.

The SARB will issue a new set of "Capital Flows Management Regulations" in terms of the Currency and Exchanges Act, 1933. This framework is being developed with the Financial Intelligence Centre and the South African Revenue Services. However, insofar as the various transactions are concluded before the Exchange Control Regulations are replaced, the current Exchange Control Regulations will still apply.

It was further stated that the concept of "emigration", as recognised by the SARB, would be phased out with effect from 1 March 2021 and be replaced by a verification process. Exchange Control Circular 6/2021 dated 26 February 2021 ("**Excon Circular**") sets out the changes in relation to emigrants and changes to the Manual with effect from 1 March 2021.

Up until 28 February 2021, the Exchange Control Regulations read with the Manual distinguished between "residents", "non-residents" and "emigrants". As of 1 March 2021, under the new framework, natural person residents and natural person emigrants are treated identically. To ensure a smooth transition from the old framework to the new framework, natural persons who duly applied to be emigrants under the old framework before 28 February 2021, will be dealt with in terms of the current exchange control procedures relating to emigration for exchange control purposes prior to 1 March 2021, provided their emigration applications are approved before 28 February 2022.

Considering that the changes announced in the Excon Circular only recently came into effect, Noteholders who became emigrants pursuant to the emigration process under the previous framework, are advised to approach their Authorised Dealer to determine how they will be treated under the new framework and how the Excon Circular will be applied.

In the context of the exchange control rules regarding securities control, the SARB has indicated in the Excon Circular that the rules applicable to natural person emigrants will temporarily apply until discussions with the relevant stakeholders have been finalized. As such, a distinction must still be drawn between residents and emigrants for the time being.

PROGRAMME MEMORANDUM

The Programme Memorandum does not require the prior approval of the Exchange Control Authorities in terms of the Exchange Control Regulations.

ISSUE OF NOTES

In general, the issue of a Tranche of Notes will not require the prior written approval of the Exchange Control Authorities in terms of the Exchange Control Regulations.

However, under certain circumstances and if so indicated in the Applicable Pricing Supplement, the issue of a particular Tranche of Notes will require the prior written approval of the Exchange Control Authorities in terms of the Exchange Control Regulations. Dealings in such Notes and the performance by the Relevant Issuer of its obligations under such Notes and the Applicable Terms and Conditions will be subject to the Exchange Control Regulations.

BLOCKED RAND

"**Blocked Rand**" means, for purposes of the Exchange Control Regulations, funds which may not previously be remitted by an emigrant out of South Africa or paid into a bank account outside South Africa.

Blocked Rand may be used for the subscription for or purchase of Notes. Any principal and/or other redemption amount which is payable by the Relevant Issuer in respect of such Notes subscribed for or purchased with Blocked Rand may not, in terms of the Exchange Control Regulations, be remitted out of South Africa or paid into a bank account which is outside South Africa.

EMIGRANTS FROM THE COMMON MONETARY AREA

Any Certificates issued to a Noteholder who is an emigrant from the Common Monetary Area ("**Emigrant Noteholder**") will, in the absence of any indication to the contrary by the nominated Authorised Dealer be restrictively endorsed "emigrant" and must be deposited with the nominated Authorised Dealer controlling such Emigrant Noteholder's blocked assets.

Where a Note is held by an Emigrant Noteholder through the CSD, the securities account maintained for such Emigrant Noteholder by the relevant CSD Participant will be designated as an "emigrant" account unless otherwise indicated by the nominated Authorised Dealer.

In terms of the previous regime and the interim arrangement (see under "*AMENDMENTS TO THE EXCHANGE CONTROL REGULATIONS*" above) until otherwise indicated by the nominated Authorised Dealer, all payments of principal and/or other redemption amount payable to an Emigrant Noteholder will be deposited into such Emigrant Noteholder's Blocked Rand account, as maintained by the nominated Authorised Dealer. Such amounts are not freely transferable from the Common Monetary Area and may only be dealt with in terms of the Exchange Control Regulations. Payments of interest due and payable in respect of such Notes to such Emigrant Noteholder need not be deposited into such Emigrant Noteholder's Emigrant Blocked Rand account, and such amounts of interest are freely transferable from the Common Monetary Area.

NON-RESIDENTS OF THE COMMON MONETARY AREA

Any Certificates issued to a Noteholder who is a non-resident ("**Non-Resident Noteholder**") will be restrictively endorsed "non-resident".

Where a Note is held by a Non-Resident Noteholder through the CSD, the securities account maintained for such Non-Resident Noteholder by the relevant CSD Participant will be designated as a "non-resident" account.

It will be incumbent on a Non-Resident Noteholder to instruct its nominated Authorised Dealer as to how payments of amounts (whether in respect of principal, interest or otherwise) payable in respect of the Notes held by such Non-Resident Noteholder are to be dealt with. Such amounts may, in terms of the Exchange Control Regulations, be remitted abroad only if such Notes were acquired with foreign currency introduced into South Africa and provided that the relevant Certificate has been restrictively endorsed "non-resident" or the relevant securities account has been designated as a "non-resident" securities account, as the case may be.

ORDER NOTES

Any Order Certificates issued to Emigrant Noteholders will be endorsed in accordance with the applicable provisions of the Exchange Control Regulations unless otherwise indicated by the nominated Authorised Dealer. The disposal or acquisition of or dealing in any Order Notes (and Order Certificates) issued to Emigrant Noteholders will be subject to the applicable provisions of the Exchange Control Regulations (see, however, "*AMENDMENTS TO THE EXCHANGE CONTROL REGULATIONS*" above).

Any Order Certificates issued to Non-resident Noteholders will be endorsed in accordance with the applicable provisions of the Exchange Control Regulations. The disposal or acquisition of or dealing in any Order Notes (and Order Certificates) issued to Non-Resident Noteholders will be subject to the applicable provisions of the Exchange Control Regulations.

In addition, all corporate authorities, and all consents, approvals, authorisations or other orders of all regulatory authorities required by the Relevant Issuer under the laws of South Africa will be given, prior to the Issue Date of a Tranche of Secured Notes, for the Relevant Issuer to enter into and perform its obligations under, among other things, the Security Agreements relating to that Tranche of Secured Notes.

A Tranche of Registered Notes may be listed on CTSE and/or on such other Exchange/s as may be determined by the Relevant Issuer and the Dealer/s, subject to all Applicable Laws. Unlisted Registered Notes may also be issued under the Programme. Unlisted Registered Notes are not regulated by CTSE or any other Exchange. The Noteholders of Registered Notes that are not listed on CTSE will have no recourse against CTSE. The Applicable Pricing Supplement will specify whether or not a Tranche of Registered Notes will be listed and, if so, on which Exchange.
